

## DEPARTMENT OF DEFENSE AUDIT

The Under Secretary of Defense (Comptroller), in coordination with the respective Service Financial Manager and Comptroller, is directed to develop a budget exhibit, for submission with the fiscal year 2022 President's budget request, detailing the costs of the Department of Defense audit. The exhibit shall include three separate budget tables; one showing costs for Audit Services, one for Audit Support, and one for Remediation, which includes remediating audit findings related to financial systems. Each table shall include the following elements:

- (1) Appropriation
- (2) Budget line item number/sub-activity group
- (3) Budget line item title
- (4) Prior year dollars in thousands (showing actuals)
- (5) Current year dollars in thousands
- (6) Budget year dollars in thousands
- (7) Description, which shall define what the funds in each line item purchase
- (8) Explanation of change, which shall explain any significant changes between the current year projection and the budget request.
